### **AAT knowledge assessment July update**

The AAT has recently updated the two Practice Knowledge Assessments for the Level 3 Assistant Accountant Apprenticeship End Point Assessment. The changes are as follows:

Task	Previously tested	Now tests
Practice Assessment 1 Task 1 (i)	TPFB	FAPS
Practice Assessment 2 Task 1 (f)	BUAW	TPFB
Practice Assessment 2 Task 3 (h)	BUAW	FAPS

The Osborne Books Assistant Accountant Apprenticeship Knowledge Assessment (EPA) Workbook has been written to test all the knowledge and skills required in EPA across the six practice assessments included in the book. Consequently, we believe that the book continues to help students to prepare for their EPA.
